D.O. No. 341-18/2/2018-RE-INVEST

08 SEPT 2018

Excellency,

The Ministry of New and Renewable Energy, Government of India are organizing the 2nd Renewable Energy Global Investors meet & Expo (2nd RE-INVEST) from 3rd to 5th October 2018 at India Expo Mart Ltd., Greater Noida, in conjunction with the First Assembly of the International Solar Alliance and the meeting of the Energy Ministers of the Indian Ocean Rim Association (IORA) countries. The Hon'ble Prime Minister will be inaugurating these events in the august presence of the UN Secretary General in a common function at 1800 hrs on 2nd October 2018 at Vigyan Bhawan, New Delhi.

2. The RE-INVEST aims at accelerating the global efforts to promote deployment of renewable energy, bringing together the international investment community with key sectoral and policy stakeholders. The activities in 2nd RE-INVEST will include conferences, seminars, discussions and events on various themes of renewables. An exhibition of manufacturers, developers, service providers and R&D and financial institutions is also being organised to showcase their capabilities, technologies, financing options and investment opportunities along with the RE-INVEST.
3. The RE-INVEST is expected to be attended by over 100 Ministerial/Governmental delegations from various countries, more than 600 global leaders and investors and 10000 delegates from the world over.
4. The detailed Agenda/Programme of 2nd RE-INVEST is available at (<http://re-invest.in>).
5. The market for renewable energy is growing faster than ever before, and opportunities for growth exist throughout the RE value chain. The 2nd RE-INVEST will provide manufacturers, project developers, technology suppliers, system integrators, investors and other stakeholders in the supply chain and players from across the world, an opportunity to enhance their visibility and explore market access in one of the world's largest renewable energy markets as India plans to install 175 GW of RE capacity by the year 2022.
6. The RE-INVEST would provide a good opportunity to showcase your country's RE products, technologies & services and encash on new business opportunities available in India.
